Language of Instruction	The official language of instruction at MCAST is English. All notes and textbooks are in English (except for language courses, which will be in the respective language being instructed). International candidates will be requested to meet English									
Application Method	language certification requirements for access to the course. Applications to full-time courses are received online via the College Management Information System. Applicants can log-in using Maltese Electronic ID (eID) in order to access the MCAST Admissions Portal directly and create one's own student account with the identity being verified electronically via this secure service. Non-EID applicants need to request account creation though an online form after that they confirm that their local Identification Document does not come with an EID entitlement. Once the identity is verified and the account is created on behalf of the applicant, one may proceed with the online application according to the same instructions applicable to all other applicants.									

	For more information about how to apply online for a course at MCAST, please visit:
	https://mcast.edu.mt/how-to-apply-online-2/
Information for Non-EU Citizens	Non-EU candidates require a study visa in order to travel to Malta and join the course applied for (on a Full Time delivery mode). For further information re study-visa please access https://www.identitymalta.com/unit/central-visa-unit/ . Further information International / TCN applicants should take note of before requesting to being considered for a programme of studies at MCAST, can be obtained through the respective FAQ found on https://mcast.edu.mt/important-
	information/
IMPORTANT note to Non-EU Nationals / TCNs	In instances where a TCN is applying for an MCAST programme of studies which includes Apprenticeship / Placement / Internship, it is the applicant's responsibility to check with the relevant Maltese Authority whether one would be eligible to have the necessary permits to be able to carry out the accredited Apprenticeship / Placement / Internship, success from which is expected in order to be able to successfully complete the selected programme of studies. Further information can also be obtained through the respective FAQ found on:
	https://mcast.edu.mt/important-information/ MCAST has four campuses as follows:
Address where the Programme	MCAST Main Campus Triq Kordin, Paola, Malta All courses except for courses delivered by the Institute for the Creative Arts, the Centre of Agriculture, Aquatics and Animal Sciences and the Gozo Campus are offered at the Main Campus address (above). Courses delivered by the Institute for the Creative Arts, the Centre of Agriculture, Aquatics and Animal Sciences, or the Gozo Campus, are offered in one of the following addresses as applicable: Institute for the Creative Arts Mosta Campus Misraħ Għonoq Tarġa Gap, Mosta
will be Delivered	Institute of Applied Sciences Centre of Agriculture, Aquatics and Animal Sciences, Luqa Road, Qormi Gozo Campus J.F. De Chambray Street MCAST, Għajnsielem
	In the case of courses delivered via Online Learning, students will be following the programme from their preferred location/address. Programmes delivered via Blended Learning, and which therefore contain both an online and a face to face component shall be delivered as follows:
	 Face to Face components – as per above address instructions Online components – from the student's preferred address.

Course Description (Refer to Programme Specification)	This full-time undergraduate course in conservation-restoration studies provides the learner with the opportunity to obtain the fundamental knowledge, skills and competences in conservation-restoration in a particular area of studies on offer. After an initial common year, learners then have the possibility to focus on a specific area. During the three years, which include practice-led formation and internships, the learner appreciates the complex nature of conservation-restoration as an interdisciplinary endeavour in which the conservation-restoration graduate collaborates with other members of a multidisciplinary team under the supervision of a warranted conservator restorer, for the benefit of the heritage. Through the final-year dissertation project of choice the learner has the opportunity to delve into further detail within the area of focus. Learners who successfully complete this programme may enrol in the MCAST Master in Conservation, in partial fulfilment of the requirements to qualify for a warrant to practice according to the Cultural Heritage Act (CAP. 445) of the Laws of Malta
Deskrizzjoni tal- Kors (Refer to Programme Specification)	Dan il-kors full-time fl-istudji dwar il-konservazzjoni-restawr jipprovdi lill-istudent blopportunità li jikseb l-għarfien, il-ħiliet u l-kompetenzi fundamentali fil-konservazzjoni u r-restawr. Wara l-ewwel sena, l-istudenti jkollhom il-possibbiltà li jiffokaw fuq qasam speċifiku. Tul it-tliet snin li jinkludu formazzjoni mmexxija mill-prattika u apprendistati, l-istudent japprezza n-natura kumplessa tal-konservazzjoni u r-restawr bħala sforz interdixxiplinarju li fih il-gradwat fil-konservazzjoni u r-restawr jikkollabora ma' membri oħra ta' tim multidixxiplinarju taħt is-superviżjoni tal-konservatur restawratur b'warrant, għall-ġid tal-wirt storiku. Permezz tal-proġett tal-aħħar sena, l-istudent għandu l-opportunità li jidħol f'aktar dettall fi ħdan qasam speċifiku. Studenti li jtemmu dan il-programm b'suċċess jistgħu jinkitbu għall-Master in Conservation tal-MCAST, bi twettiq parzjali tar-rekwiżiti biex jikkwalifikaw għal warrant biex jipprattikaw skont l-Att dwar il-Patrimonju Kulturali (KAP. 445) tal-Liġijiet ta' Malta
Career	Assistant Conservator,
Opportunities:	Restorer in the Heritage Sector Internal Progression Route
Entry Requirements (Refer to Prospectus / Course Page on MCAST website)	MCAST Advanced Diploma in Cultural Heritage Skills* or MCAST Advanced Diploma in Masonry Heritage Skills (Mastru)* or any MCAST MQF Level 4 Advanced Diploma OR 2 A-Level passes and 2 I-Level passes. *Students progressing from the MCAST Advanced Diploma in Cultural Heritage Skills and from the MCAST Advanced Diploma in Masonry Heritage Skills, will be given preference in cases where the number of applicants exceeds the number of available places.
Other Notes related to this Programme, and which are to be taken note of	Applicants may be asked to sit for an Interview and/or present their Portfolio.
Programme Learning Outcomes (Refer to Programme Specification)	At the end of the programme the learner will be able to: 1. Outline the Conservation-Restoration actions based on the examination and diagnosis of the cultural heritage and assessment of its needs under the supervision of a warranted Conservator-Restorer.

- 2. Identify the necessary Conservation-Restoration actions according to the required legal, logistical and operational standards under the supervision of a warranted Conservator-Restorer.
- 3. Apply the Conservation-Restoration actions established by a warranted Conservator-Restorer under the supervision and direction of such professional.
- 4. Relate the result of the Conservation-Restoration actions, outlining advice and recommendations for care and possible future actions based on the direction of a warranted Conservator-Restorer.

Teaching, Learning and Assessment Procedures

The programmes offered are vocational in nature and entail both theoretical lectures delivered in classes as well as practical elements that are delivered in laboratories, workshops, salons, simulators as the module requirements dictate.

Each module or unit entails a number of in person and/or online contact learning hours that are delivered by the lecturer or tutor directly (See also section 'Total Learning Hours).

Access to all resources is provided to all registered students. These include study resources in paper or electronic format through the Library and Resource Centre as well as tools, software, equipment and machinery that are provided by the respective institutes depending on the requirements of the course or module.

Students may however be required to provide consumable material for use during practical sessions and projects unless these are explicitly provided by the College.

All Units of study are assessed throughout the academic year through continuous assessment using a variety of assessment tools. Coursework tasks are exclusively based on the Learning Outcomes and Grading Criteria as prescribed in the course specification. The Learning Outcomes and Grading Criteria are communicated to the Student via the coursework documentation.

The method of assessment shall reflect the Level, credit points (ECTS) and the schedule of time-tabled/non-timetabled hours of learning of each study unit. A variety of assessment instruments, not solely Time Constrained Assignments/Exams, are used to gather and interpret evidence of Student competence toward pre-established grading criteria that are aligned to the learning outcomes of each unit of the programme of study.

Grading criteria are assessed through a number of tasks, each task being assigned a number of marks. The number of grading criteria is included in the respective Programme Specification.

The distribution of marks and assessment mode depends on the nature and objectives of the unit in question.

Coursework shall normally be completed during the semester in which the Unit is delivered.

Time-constrained assignments may be held between 8 am and 8 pm during the delivery period of a Unit, or at the end of the semester in which the Unit is completed. The dates are notified and published on the Institute notice boards or through other means of communication.

Certain circumstances (such as but not limited to the COVID-19 pandemic) may lead Institutes and Centres to hold teaching and assessment remotely (online) as per MCAST QA Policy and Standard for Online Teaching, Learning and Assessment (Doc 020) available via link https://www.mcast.edu.mt/college-documents/

	The Programme Regulations pertaining to this Programme's MQF/EQF level available at: link https://www.mcast.edu.mt/college-documents/ , apply.
Grading System	All MCAST programmes adopt a Learner-centred approach through the focus on Learning Outcomes. The assessment of MCAST programmes is criterion-referenced and thus assessors are required to assess learners' evidence against a predetermined set of Learning Outcomes and Assessment Criteria. For a student to be deemed to have successfully passed a unit, a minimum of 50% (grade D) must be achieved. All full time units are individually graded as follows: A* (90-100) A (80-89) B (70-79) C (60-69) D (50-59) Unsatisfactory work is graded as 'U'. Work-based learning units (where applicable) are graded on a Pass/Fail basis only. Some units which follow industry standards and regulations may also be graded on a Pass/Fail basis as per programme regulations referred below. Detailed information regarding the grading system may be found in the Programme Regulations pertaining to this programme's MQF/EQF Level available at: https://www.mcast.edu.mt/college-documents/ (Refer to DOC 003, 004 and 005)
Exit Point (where and as applicable)	Where a student will not make it to the Final Certification achievable from this Programme of Studies (as per Programme Regulations), one might wish to look into Exit Point possibilities as may be applicable to this programme for studies. Further information, is available at https://www.mcast.edu.mt/college-documents/ , kindly refer to DOC 077 Procedure for the processing of Claims for Certificates at Interim Exit Points.
