

MCAST PROGRAMMES - PUBLIC INFORMATION TEMPLATE (FULL TIME)

Institute	Institute of Engineering and Transport
Department	Mechanical Engineering Department

Programme Title	Advanced Diploma in Manufacturing								
Course Code To be filled in by Admissions Dept.	ME4-A08-23			If the programme includes a WBL element, How is it accredited?		t,	Apprenticeship		
MQF/ EQF Level	Level 4	Type (refer to Appendix 1 for Parameters)		Qualif	ication	Awarding		ng Body	MCAST – Malta College of Arts, Science and Technology
Accreditation Stat	us							· ·	MCAST holds Notice 296/2012)
Mode of Delivery	Face to Face	Duration(Acad emic Years or Semesters)		rs or	3 Years	Mode of Attendan			Full-time
Total Number of Credits	120 credits		Learnin I Learning I			3000 h	าอน	Irs	
Target Audience	Ages 16 - 65	Target Group (the type of learners that the educational institution anticipates joining this programme) Students exiting compulsory education			ducation				
Programme Fees	 evidenced by their Identity Document) Fees apply for other International Applicants for fee information and any related updates it is best to communicate with MG2i International through applyinternational@mcast.edu.mt One may consider checking about possible eligibility or otherwise for any exemption from fees by contacting the relevant section within MEYR (Floriana) – or visit the servizz.gov.mt website here 				r any exemption				
Date of Next Student Intake	For further inf	ormatic	on regard	• •	oming stud	ent inta	ake	e and applic	cations time
Language of Instruction	windows for same kindly <u>click here</u> The official language of instruction at MCAST is English. All notes and textbooks are in English (except for language courses, which will be in the respective language being instructed). International candidates will be requested to meet English language certification requirements for access to the course.								
Application Method	Applications to full-time courses are received online via the College Management Information System. Applicants can log-in using Maltese Electronic ID (eID) in order to access the MCAST Admissions Portal directly and create one's own student account with the identity being verified electronically via this secure service. Non-EID applicants need to request account creation though an online form after that they confirm that their local Identification Document does not come with an EID entitlement. Once the identity is verified and the account is created on behalf of the applicant, one may proceed with the online application according to the same instructions applicable to all other applicants.								

- #1154				
	For more information about how to apply online for a course at MCAST, please visit: https://mcast.edu.mt/how-to-apply-online-2/			
Information for Non-EU Citizens	Non-EU candidates require a study visa in order to travel to Malta and join the course applied for (on a Full Time delivery mode). For further information re study-visa please access https://www.identitymalta.com/unit/central-visa-unit/ . Further information International / TCN applicants should take note of before requesting to being considered for a programme of studies at MCAST, can be obtained through the respective FAQ found on https://mcast.edu.mt/important-information/			
IMPORTANT note to Non-EU Nationals / TCNsIn instances where a TCN is applying for an MCAST programme of studies which includes Apprenticeship / Placement / Internship, it is the applicant's responsibility check with the relevant Maltese Authority whether one would be eligible to have th necessary permits to be able to carry out the accredited Apprenticeship / Placement / Internship, success from which is expected in order to be able to successfully 				
	https://mcast.edu.mt/important-information/ MCAST has four campuses as follows:			
	MCAST Main Campus Triq Kordin, Paola, Malta All courses except for courses delivered by the Institute for the Creative Arts, the Centre of Agriculture, Aquatics and Animal Sciences and the Gozo Campus are offered at the Main Campus address (above).			
	Courses delivered by the Institute for the Creative Arts, the Centre of Agriculture, Aquatics and Animal Sciences, or the Gozo Campus, are offered in one of the following addresses as applicable:			
Address where the Programme	Institute for the Creative Arts Mosta Campus Misraħ Għonoq Tarġa Gap, Mosta			
will be Delivered	Institute of Applied Sciences Centre of Agriculture, Aquatics and Animal Sciences, Luqa Road, Qormi			
	Gozo Campus J.F. De Chambray Street MCAST, Għajnsielem Gozo			
	In the case of courses delivered via Online Learning, students will be following the programme from their preferred location/address.			
	Programmes delivered via Blended Learning, and which therefore contain both an online and a face to face component shall be delivered as follows:			
	 Face to Face components – as per above address instructions Online components – from the student's preferred address.

Course Description (Refer to Programme Specification)	This programme provides the necessary knowledge, understanding and skills to those learners who wish to start an interesting career as a technician in today's highly technological area of manufacturing engineering. This qualification provides access to more specialist units and therefore broadens and deepens the experience in preparation for actual work situations. The learner will learn how to perform basic engineering operations in a safe and efficient manner, whilst safeguarding the environment. The learner will understand basic scientific and mathematical theories and how to apply these to manufacturing engineering processes such as draughting, design, problem solving, and machining. This course includes work-related training and practice. Applicants have to be able to work within the industries concerned.
Deskrizzjoni tal- Kors (Refer to Programme Specification)	Dan il-programm jipprovdi l-għarfien, il-fehim u l-ħiliet neċessarji għal studenti li jkunu jixtiequ jibdew karriera interessanti bħala teknixin fil-qasam tal-inġinerija tal- manifattura li llum huwa ta' livell teknoloġiku għoli. Din il-kwalifika tipprovdi aċċess għal unitajiet aktar speċjalizzati u għalhekk twessa' u tapprofondixxi l-esperjenza bi tħejjija għal sitwazzjonijiet attwali tax-xogħol. L-istudent jitgħallem kif iwettaq operazzjonijiet bażiċi tal-inġinerija b'mod sikur u effiċjenti, filwaqt li jissalvagwardja l- ambjent. L-istudent jifhem it-teoriji xjentifiċi u matematiċi bażiċi u kif dawn jiġu applikati għal proċessi tal-inġinerija tal-manifattura, bħad-disinn tekniku, is-soluzzjoni tal-problemi u x-xogħol fuq il-magni. Dan il-kors jinkludi taħriġ u prattika relatati max- xogħol. L-applikanti għandhom ikunu kapaċi jaħdmu fl-industriji kkonċernati.
Career Opportunities:	Machine Setter, Mechanical Engineering Technician, Production Planning Officer, Mechanical Engineering Draughtsperson, Manufacturing Line Technician
Entry Requirements (Refer to Prospectus / Course Page on MCAST website)	Internal Progression Route Any MCAST MQF Level 3 Diploma delivered by the Institute of Engineering and Transport or Any MCAST Level 3 Diploma, whilst being in possession of the compulsory subjects as indicated hereunder OR 4 SEC / SSC&P or equivalent with a Pass Grade / Level 3 <u>Compulsory</u> : One subject from Engineering Technology OR Design and Technology OR Chemistry OR Mathematics OR Physics.
Other Notes related to this Programme, and which are to be taken note of	-
Programme Learning Outcomes (Refer to Programme Specification)	 At the end of the programme the learner will be able to: 1. Describe and identify health and environmental risks related to certain processes as well as the measures that are adopted to control them. 2. Communicate and Interpret drawings and manuals in the technical fields concerned. 3. Choose appropriate tools and manufacturing processes for the implementation of work projects. 4. Apply mathematical and scientific principles to solve engineering related problems.
Teaching, Learning and Assessment Procedures	The programmes offered are vocational in nature and entail both theoretical lectures delivered in classes as well as practical elements that are delivered in laboratories, workshops, salons, simulators as the module requirements dictate.

Contract and	
	Each module or unit entails a number of in person and/or online contact learning hours that are delivered by the lecturer or tutor directly (See also section 'Total Learning Hours).
	Access to all resources is provided to all registered students. These include study resources in paper or electronic format through the Library and Resource Centre as well as tools, software, equipment and machinery that are provided by the respective institutes depending on the requirements of the course or module.
	Students may however be required to provide consumable material for use during practical sessions and projects unless these are explicitly provided by the College.
	All Units of study are assessed throughout the academic year through continuous assessment using a variety of assessment tools. Coursework tasks are exclusively based on the Learning Outcomes and Grading Criteria as prescribed in the course specification. The Learning Outcomes and Grading Criteria are communicated to the Student via the coursework documentation.
	The method of assessment shall reflect the Level, credit points (ECTS) and the schedule of time-tabled/non-timetabled hours of learning of each study unit. A variety of assessment instruments, not solely Time Constrained Assignments/Exams, are used to gather and interpret evidence of Student competence toward pre-established grading criteria that are aligned to the learning outcomes of each unit of the programme of study.
	Grading criteria are assessed through a number of tasks, each task being assigned a number of marks. The number of grading criteria is included in the respective Programme Specification. The distribution of marks and assessment mode depends on the nature and objectives of the unit in question.
	Coursework shall normally be completed during the semester in which the Unit is delivered.
	Time-constrained assignments may be held between 8 am and 8 pm during the delivery period of a Unit, or at the end of the semester in which the Unit is completed. The dates are notified and published on the Institute notice boards or through other means of communication.
	Certain circumstances (such as but not limited to the COVID-19 pandemic) may lead Institutes and Centres to hold teaching and assessment remotely (online) as per MCAST QA Policy and Standard for Online Teaching, Learning and Assessment (Doc 020) available via link <u>https://www.mcast.edu.mt/college-documents/</u>
	The Programme Regulations pertaining to this Programme's MQF/EQF level available at: link <u>https://www.mcast.edu.mt/college-documents/</u> , apply.
	All MCAST programmes adopt a Learner-centred approach through the focus on Learning Outcomes. The assessment of MCAST programmes is criterion-referenced and thus assessors are required to assess learners' evidence against a pre- determined set of Learning Outcomes and Assessment Criteria.
Grading System	For a student to be deemed to have successfully passed a unit, a minimum of 50% (grade D) must be achieved.
	All full time units are individually graded as follows: A* (90-100)

	Work-based I Some units w Pass/Fail bas Detailed infor Regulations p	\$ (70-79) \$ (60-69)			
Exit Point (where and as applicable)	Where a student will not make it to the Final Certification achievable from this Programme of Studies (as per Programme Regulations), one might wish to look into Exit Point possibilities as may be applicable to this programme for studies. Further information, is available at <u>https://www.mcast.edu.mt/college-documents/_</u> kindly refer to <i>DOC 077</i> <i>Procedure for the processing of Claims for Certificates at Interim Exit</i>				
Contact details for Further Learning Opportunities	The MCAST Career Guidance Team, offers the service of qualified and experienced Career Advisers who will be very willing to discuss with potential applicants the course which best achieves one's career ambitions, as well as exploring one's education route, or similar. MCAST Career Guidance Tel: 2398 7135/6 Email: career.guidance@mcast.edu.mt				
Regulatory Body/ Competent Authority Contact Details (where applicable - in the case of a programme leading to Regulated Profession)		Not Applicable
