

**CIRCULAR 64/2021: Updated COVID-19 information**

08 April 2021

Following the press conference held on 7 April 2021 by Prime Minister Robert Abela and further clarifications provided by the health authorities, we'd like to keep you informed on the way forward.

MCAST will continue with the provision of online lectures, while practical sessions will be held on Campus from Monday 12 April, as highlighted by Superintendent of Public Health, Professor Charmaine Gauci.

This means that practical sessions will be delivered at the MCAST campus within various institutes, as per Institute Directors' directions, whereas the MCAST library at Paola Campus will be opened to support the students in their studies.
