

Research Programme Student Progress Report

1. Student Details

Student Number	
Programme title	
Institute and Department	

Student Name	
Student Surname	
Mode of Study (FT/PT)	
Title of Thesis	
Name(s) of Supervisor(s)	

2. Student Progression Dates

Start Date		
	Deadline Date	Completed Date
CDRSH-706-1803 (Research Methods Module 1)		
CDRSH-706-1804 (Research Methods Module 2)		
VIVA		

3. Supervisory meetings

3.1 How many supervisory meetings have you had with your Supervisor (s) in the last six months?

3.2 Please provide details about these supervisory meetings and summarise any concerns you may have. If no meetings were held, then please explain the reason for this.

--

4. Regulations and Code of Practice

4.1 Have you read and understood the MCAST Regulations for the Master by Research degrees (DOC016,A)?

--

5. Ethics

5.1 Does your research require ethical approval?

--

5.2 If yes, has ethical approval been sought and awarded?

--

5.3 If ethical approval has been sought and awarded, do you foresee any updates/amendments to the ethical aspects of your project which would need the ethics to be resubmitted?

--

6. Gantt Chart

6.1 Have you supplemented this progress report with an updated Gantt chart? If no, kindly justify why. (You can insert a Gantt Chart below)

7. Research Progress

7.1 Please give a summary of your progress to date, indicating any change, if any, to your main research aims and methods since your last report.

8. Factors Adversely Affecting Research Progress

8.1 Please outline any factors which you believe have adversely affected your research progress (e.g. facilities, resources, any personal or financial circumstances, etc.). Please state how you think these could be resolved.

9. Future Plans

9.1 Please outline your research plans for the next six months, including specific tasks which you hope to complete. Please indicate when you expect your thesis to be submitted.

--

10. General Comments

10.1 Please add any further comments about your research progress and supervision meetings.

--

11. Presentations/Research Seminars Since Last Review

11.1 Attended External Seminar (details and dates).

--

11.2 Presented at Departmental Seminar(s) (include title of the paper presented).

--

11.3 Presented at Funded Conference (include title of paper presented).

--

11.4 Other relevant activities (specify).

--

I hereby confirm, as the student, that the information provided in this progress report is factual.
